Theme Winner

Bridget Crawford is an Environmental Protection Specialist of the U.S. Environmental Protection Agency (EPA), Region 4, Atlanta. She has been with the EPA from the time of the agency's inception in 1970. Bridget writes that the design is "God inspired", as a result of constant prayer for the protection and restoration of America. The cover is expressed in simplistic design to reach and inspire the diverse audience that the CFC serves. Bridget's cover design was selected by the Federal Executive Board (FEB) from numerous entries that were submitted by employees from the various federal agencies within the metropolitan Atlanta CFC.

Dan Ahern is with the U.S. Environmental Protection Agency, Region 4, Atlanta. There were numerous suggestions for the 2002 theme. Dan writes that after September 11 there was considerable unity in the country and he thought that we should focus that united spirit on giving. That was the inspiration for his suggestion. Dan's theme "United We Share" was selected by the Federal Executive Board (FEB) as the 2002 theme.

Federal Executive Board

It is an honor and a privilege to serve as chairperson for the 2002 Metropolitan Atlanta Combined Federal Campaign (CFC). The CFC gives each of us the opportunity to provide support to various agencies that offer our communities, as well as ourselves, a wide spectrum of assistance. This year's theme, "*United We Share*" says it all; when people unite, the possibilities are endless.

There are many ways for us to share with those of our community that are truly in need. Through our contributions, we can assist those who are touched by conflict, disaster and personal challenge. I encourage you to reflect upon your many blessings and let your heart be your guide as this year's campaign gets underway.

Please consider doing two things this year. First, take a few minutes to review the list of community service organizations in the campaign brochure and contribute something to the charity of your choice – even the smallest gift will help someone. Over the past few years the number of contributors has been declining. Let's strive to make 2002 the year that marks the reversal of that trend. Second, give strong consideration to using payroll deduction. Payroll deduction will make your generous contribution simple, easy, and carefree.

To those of you who have contributed voluntarily and financially during previous campaigns, I offer heartfelt appreciation. To those who may contribute for the first time this year, I congratulate you on embarking on this worthwhile endeavor.

By pulling together, each one of us in the Federal community can make a significant difference in the lives of those who are in need. The possibilities are endless if "*United We Share*".

Sincerely,

J. I. Palmer, Jr.
CFC Chair

PREFACE

The CFC: Its Story and Mission

*The mission of the **Combined Federal Campaign (CFC)** is to support and to promote philanthropy through a program that is employee-focused, cost-efficient and effective in providing all Federal employees the opportunity to improve the quality of life for all.*

With a tradition of commitment to the community through the selfless efforts of Federal employees, the CFC has its roots in the many charitable campaigns of the early 1960's. Seeing a need to bring the diversity of fundraising efforts under one umbrella, Federal employees created the CFC—one campaign, once a year. By allowing employees to select the organizations of their choice from a single brochure and to make their contributions through payroll deductions, the CFC opened wide the door to more opportunities for generous giving to literally hundreds of worthy causes. An Executive Order made the CFC a reality, and turned an innovative idea into a uniquely effective way for Federal employees to help those in need across our community and throughout the world. *The CFC is the only authorized solicitation of employees in the Federal workplace on behalf of charitable organizations.* It continues to be the largest and most successful workplace fundraising model in the world.

YOU ACCOMPLISH SO MUCH WITH YOUR CFC GIFT

This year, many local, national, and international voluntary agencies will benefit from your thoughtfulness and generosity. A few minutes of your time today can mean meals for hungry

children, relief for families in need of counseling, further work on cures for diseases, comfort for the dying, access to water in the Third World, environmental protection, and better lives and renewed hope for millions of people in our global community.

PAYROLL DEDUCTION LETS YOU HELP ALL YEAR LONG

Payroll deduction makes it convenient for you to give by letting you spread your contribution across the entire year. Last year, more than 90% of all CFC funds raised were given through payroll deduction. Payments on payroll deduction pledges begin on the first pay period in January. Because there is no simpler way for you to make good things happen for so many people, payroll deduction helps you care for your community and your world.

YOU CONTROL WHERE YOUR GIFT WILL GO

All Federal employees have the right to contribute or not to contribute to the CFC. The choice is yours. Through your designation, you ensure that your donation goes to meet those needs that you feel are most important. You may designate to the organizations of your choice where indicated on your pledge card. Additional designations must be completed on a second pledge card. Except for documented expenses for the operation of the local CFCs and uncollected pledges, all contributions are distributed as designated. Every local campaign has a Local Federal Coordinating Committee, comprised of Federal employees, which must approve and monitor campaign expenses.

Please do not designate to an organization that is not listed in this brochure. Adding organizations not listed, or "write-ins", is prohibited and donations to such organizations cannot be accepted.

If you prefer, you may donate to the CFC anonymously by placing your

confidential gift in a sealed envelope. All funds contributed to the CFC that are not designated to a specific organization or federation will be distributed to all organizations listed in the CFC brochure in the same proportion as the contributions designated to them.

HOW DO CHARITIES QUALIFY FOR LISTING IN THE CFC BROCHURE?

All charities listed applied for participation in the CFC either at the national or local level. National charities with documented programs in at least fifteen states or a foreign country applied directly to the U.S. Office of Personnel Management (OPM). Only those agencies certified by OPM are listed in this brochure in the "National/International Organizations" and the "International Organizations" sections.

THE LOCAL FEDERAL COORDINATING COMMITTEE (LFCC) IS YOUR "BOARD OF DIRECTORS"

The Local Federal Coordinating Committee (LFCC) approved local and statewide charities that help residents in this area or in adjacent counties as having met the eligibility standards established by the CFC regulations. The LFCC is composed of Federal employees and representatives of labor unions with Federal employees as members. Decisions regarding the inclusion of charities in your local campaigns are made by the LFCC. LFCCs are also responsible for the oversight of your local CFC in conformance with the CFC regulations and policies established by OPM.

THE PRINCIPAL COMBINED FUND ORGANIZATION (PCFO) MANAGES THE CFC

Every year, the LFCC selects one of the voluntary organizations involved in the CFC to manage the campaign and serve as fiscal agent. OPM sets strict requirements for this role. Annual audits are required of the PCFO by an independent CPA.

A Proud Record of Low Fundraising Costs

Through the outstanding oversight efforts of the Federal employees on each LFCC, approximately 8.5% of the funds raised nationwide are spent on printing materials, training volunteers, and auditing contributions.

Because this cost is so low compared with other fundraising campaigns, every dollar you pledge goes a very long way toward helping others.

Contributions (less uncollected pledges and approved administrative costs) are distributed to each charity at regular intervals by the Principal Combined Fund Organization in accordance with CFC regulations.

OPM Provides CFC Oversight

OPM has the overall responsibility for the management of the CFC. It reviews and provides guidance and technical advice on regulations, and has the authority to conduct compliance audits on any CFC local campaign fiscal records.

If you would like more information about the finances, services, benefits or programs an organization provides, you may call the organization directly at the telephone number provided in the organization's listing or visit their homepage, if available. Interested donors may also obtain information about a charity's finances and compliance with charitable organization standards of accountability by contacting the following watchdog organization: Better Business Bureau's—Wise Giving Alliance (www.give.org). For general information about trends in giving and volunteering or data on the nonprofit sector, donors may contact: Independent Sector (www.independentsector.org), the National Center for Charitable Statistics (www.nccs.urban.org), or the American Association of Fundraising Counsel (www.aafrc.org).

The Voluntary Spirit of Giving is Guaranteed

Remember, any contribution you make should be freely given. You have the right not to be improperly influenced in making your decision regarding the making or withholding of contributions in the CFC. Coercion is forbidden.

In order to guarantee this voluntary spirit, OPM has identified several practices that are not permitted, including but not limited to: supervisory solicitation of employees supervised, setting of 100% participation goals, providing and using contributor lists for purposes other than the routine collection and forwarding of contributions and installment pledges, establishing personal dollar goals and quotas, and developing and using lists of non-contributors.

Civilian employees who wish to register complaints about coercion should contact the LFCC and consult with their personnel offices; military personnel should consult with their commanding officers.

Special Notice Regarding Donations of \$250 or More

A Federal employee who makes a onetime (cash, check, or money order) contribution of \$250 or more and those who make a payroll deduction contribution of \$250 or more *per pay period* to a single organization in the CFC should consult a tax adviser to determine if additional verification of the donation is required by the Internal Revenue Service (IRS). Such verification can be obtained by contacting the local Principal Combined Fund Organization (PCFO).

This is the official Combined Federal Campaign (CFC) brochure. Charitable organizations appearing in this brochure have complied with regulations, set forth at 5 CFR Part 950, governing their participation in the CFC.

The brochure consists of a National and International List of organizations, approved by the OPM and a Local List of organizations, approved by the LFCC. Organizations appear on these lists based on the scope of their programs. Each organization entry includes the following information: organization's name and code number, statement of purpose, phone number, website address, legal name of the organization in parentheses if it is doing business under another name, the employer identification number ("EIN"), and the percentage of fundraising and administrative costs as a percentage of total revenue. The EIN# has been added to provide donors another point of reference if you wish to obtain information about an organization's finances from the IRS. Please note that some organizations may be covered under an umbrella organization's tax exemption status and may not list the EIN#. Religious organizations are exempt from the requirement of having an EIN#.

QUESTIONS & ANSWERS

WHY IS THERE A CFC?

The Combined Federal Campaign (CFC) was established in 1964 by Executive Order to provide a single unified annual charitable campaign that was efficient and could be accomplished through payroll deductions. Over the years, the CFC has become a meaningful way to voluntarily each out... to touch the lives of people who need out help... to bring about a better world. Except for service relief drives and emergency disaster appeals, the CFC is the only authorized on-the-job solicitation of federal civilians and military employees at their places of work.

WHO OVERSEES THE CFC?

The policy committee of the Atlanta Federal Executive Board (FEB) makes up the Local Federal Coordination Committee (LFCC), which acts as the "Board of Directors" for the CFC. The LFCC is authorized to administer the local CFC within the provisions and policies established by the Office of Personnel Management (OPM), Washington, D.C.

WHO MANAGES THE CFC?

Every year, the LFCC selects one of the participating voluntary federations to manage the campaign and serve as fiscal agent. OPM sets strict requirements for this role. In our area, the United Way of Metropolitan Atlanta serves as the Principal Combined Fund Organization.

WHO RECEIVES MY GIFT?

The choice is yours. Provided with this brochure is a listing of charitable organizations that met the requirement for admission in accordance with regulations established by the Congress and the Office of Personnel Management (OPM). Each participating agency has provided: 1) a brief statement describing its services and programs, 2) the percentage of agency's total support and revenue that goes to administration and fundraising expenses, and 3) a telephone number that you can use to obtain further information about the agency's services, benefits and administrative expenses.

WHO PARTICIPATES IN THE CFC?

In 2002, over 1,500 national and local voluntary agencies are listed in the metropolitan Atlanta CFC. The metropolitan Atlanta CFC includes federal civilian and military employees in 42 counties.

Organizations eligible for participation in the CFC are private, non-profit, philanthropic charitable organizations and federations. Organizations must submit an application annually for inclusion in the CFC and meet a number of accountability standards. Depending on how you choose to designate your gift, you can help feed hungry children, shelter the homeless, counsel troubled families, find cures for diseases, comfort the dying, dig wells in the Third World, save the environment and touch millions of people's lives.

INTRODUCTION

Types of Organizations Listed

A **federation** is a group of voluntary charitable human health and welfare organizations established for purposes of supplying common fundraising, administrative, and management services to its members. Each federation is listed with its accompanying members. If you wish to designate all or some portion of your contribution to a federation, please record that federation's corresponding code number on your pledge card. Contributions designated to a federation will be shared with their member organizations in accordance with the federation's policy. If you wish to designate all or some portion of your contribution to a federation member organization, please record that organization's corresponding code number on your pledge card. Charitable organizations participating in the CFC as members of a federation may pay a percentage of the donations received or a fee to that federation as a service charge. For additional information on whether a charitable organization pays such a fee and/or percentage of donations, you may wish to contact the charitable organizations directly.

An **unaffiliated organization** is not affiliated with a federation (unaffiliated organizations). If you wish to designate all or some portion of your contribution to an unaffiliated organization, please record that organization's corresponding code number on your pledge card.

International General Designation Option

If you wish your contribution to be distributed proportionately to all international organizations that received designated gifts, you may do so by recording the code letters on your pledge card.

Undesignated Funds

Even if you choose not to designate to a specific agency or federation, your contribution will still be accepted. Funds contributed to the CFC, but not designated to a specific organization or federation, will be distributed to all organizations in the CFC brochure in the same proportion as they received in designations. Organizations that do not receive designated dollars cannot receive any donations.

EMPLOYEE EXPRESS

Employees from particular agencies in the Metropolitan Atlanta Combined Federal Campaign can use the Employee Express system to make their CFC donation by payroll deduction. During CFC open season, the Employee Express system will allow users to start a CFC contribution. If your agency participates in Employee Express and you are not already an Employee Express system user, you may subscribe by calling (478) 757-3030 and request a pin number or by going to the Employee Express website www.employeeexpress.gov and request a pin.

If you previously donated electronically you may review and edit what was previously entered into the system. All participating agencies have agreed that the use of Employee Express for CFC is not mandatory. No employee is required to use Employee Express to make their CFC donation regardless whether he or she is making a one-time donation or periodic payroll gift. More detailed information pertaining to the use and availability of the system can be obtained from your CFC Key Worker.
